

Job Title: Sales Support Engineer-Europe

Industry: Automotive & Autonomous Driving
Residence: Europe (preferred in German)
Salary: Negotiable

Strategic Partnership between HEE and PIX Moving:

In February 2022, HEE's Chinese joint venture Guizhou HEE and PIX Moving signed a strategic partnership agreement that generated attention throughout China. The goal is to jointly develop products around self-driving autonomous vehicles that use hydrogen in different applications such as self-driving backup power vehicles or self-driving on-demand electric car charging stations. The job position below is on behalf of PIX Moving, a company registered in Guiyang, China, and HEE only supports the candidate selection process.

Company Introduction:

PIX Moving is a key player of skateboard chassis in the world. Our products have been sold to 27 countries and regions globally. Except skateboard chassis, we also have complete vehicles and outdoor robotics. PIX Moving also put great effort on developing autonomous driving technologies. Moreover, we are a pioneer of other advance R&D, including computational vehicle design and intelligent manufacturing technology. PIX Moving strives to create a culture of entrepreneur, freedom, responsible and self-motivated. We believe that our technologies will redefine the automotive industry.

Key Responsibilities:

- Provide technical support as requested. This may include the following:
- Investigate product failures in the field and provide product management feedback on local issues as needed
- Investigate business opportunities in the field by participating in Customer Surveys as needed for product and market development
- Participate in local sales strategy development and at sales management review and improve sessions
- Works with Sales to identify product gaps

Required Skills and Qualifications:

- Bachelor's degree required
- 3+ years in similar experience, preferably in automated vehicle related area.
- Familiar with sensor and the other components
- Familiar with C++ and software testing
- Experience with converting business needs into technical requirements.

**Please send applications directly to PIX Moving:
(Unfortunately, applications sent to HEE Technologies can not be considered).**
